HIGHER EDUCATION SCHOLARSHIP INFORMATION

The Wareham Garden Club offers three \$2,000 scholarships for undergraduate students, including high school seniors, who will be college or technical school freshmen in the fall, and college students who are or will be attending accredited colleges, universities and accredited institutes of higher learning.

Scholarships are available for students majoring in:

horticulture	environmental studies
floriculture	land management
botany	biology and marine biology
conservation	landscape design or architecture
forestry	agronomy
city planning	allied subjects

Eligible applicants must have maintained a legal residence in Wareham, Massachusetts for at least one year, be a current student with a minimum "B" average (3.0 on a 4.0 scale), focus one's studies in the fields of study listed above, and have good character.

Any qualified applicant will be given extra consideration for having participated in extracurricular activities in school and/or the community.

Applications are available through:

- high school Guidance Counselors
- online at www.warehamgardenclub.org (Supporting Wareham/Scholarships)
- by email request to the Scholarship Committee Chairperson: warehamgardenclubma@gmail.com
- by postal mail-in request to the address above

Please return completed form and required materials to the address above, via postal mail or email, postmarked by March 31, 2026.
